

# CONSTRUCTION ALERT

## GLENMONT / GOVERNMENT RD.

As part of our ongoing commitment to maintaining high-quality water systems Santa Fe Irrigation District is replacing about 3100 feet of pipeline in your area.

SFID and our contractor will make every effort to minimize impacts to the community, with work hours expected between 8am - 5pm. Individual notifications will take place to residents prior to any work impacting access or water-shutoffs

## CONSTRUCTION ACTIVITES SCHEDULED FROM WINTER TO FALL 2023.
